## EXPERIENCE

3D generalist  
Motion Graphics  
Graphic design  
Photography, Video  
Video editing  
Animation and lip sync  
Lighting, shading, composition  
digital painting

Currently learning  
HTML, CSS, Javascript.  
Wordpress, Bootstrap

## SKILLS

3D modeling  
sculpting  
Motion Graphics  
Graphic Design  
Look Development  
Lighting  
rendering  
3D simulation

3D Painting  
texturing  
Normal mapping  
Rigging  
UV mapping  
Digital painting  
Web development

## ABOUT ME

I got a passion for all things digital. I love to design and do motion graphics, and on top of that I am always seeking to learn new technology and software. I have several years of experience with modeling photorealistic and graphical 3D assets for the world's biggest toy company, LEGO.

I have good communication skills, and are experienced in working with many stakeholders across a big organisation.

## SOFTWARE

### 3D Specific

Maya  
3ds Max  
Cinema 4D  
NX
